Said by political analysts to be one of the most important addresses of his political career, in late August 1998, President Bill Clinton went on national television to give a limited mea culpa ("I am sorry") for his sexual indiscretions with the young White House intern, Monica Lewinsky. In yet another Clinton bit of magic, President Bill Clinton gives cabalistic sign (Baphomet/Priory of Sion spearpoint) while being interviewed in late March 1999, by CBS News anchor Dan Rather. The USA Today newspaper's editors apparently complied with elitist's request to give maximum publicity to Clinton's interview and to this particular photo. Subject of this interview was the U.S. war against Yugoslavia/Serbia, a key Illuminati project to help usher in their New World Order. Clinton invokes the forces of darkness to assist his speech and enhance his hypnotic persuasive powers over the American people.

Instead, an official photo shows Ashcroft laying his hand on a stack of three books. What were these three mysterious books?

Magical Signs of the Jewish Cabala—The Six-Pointed Star, Babylonian Witchcraft, and the Hollywood Perdition of Jerry Seinfeld and Associates

*He said furthermore unto me, Son of man, seest thou what they do? even the great abominations that the house of Israel committeth here...*

*Ezekiel 8:6*

*Kabbalism is a system of Jewish mysticism and magic and is the foundational element in modern witchcraft. Virtually all of the great witches and sorcerers of this century were Kabbalists.*

— William J. Schnoebelen, in *The Dark Side of Freemasonry*

In the decades of the 70s, 80s, and 90s, the hottest spiritual trend was the New Age movement. As we move forward through the first decade of the 21st century, the latest cure-all spiritual phenomenon seems to be the Jewish Cabala (or Kabbalah). The Cabala is not new, of course. It's been around for centuries. The Cabala is actually ancient magic. It is an exotic blend of devilish, sometimes fanciful, New Age mystical practices topped by a philosophical bent of Jewish supremacism. Orthodox Judaism, or phariseeism, is rife with cabalism, and Jewish rabbis are the Cabala's greatest promoters.
Celebrities and Cabala

The recent explosion in mainstream interest in cabalism is boosted by the many big-name celebrities who have recently been hawking cabalism as the miraculous answer to all of man's problems. An undercover BBC reporter who infiltrated a London cabala group witnessed singer Madonna and Guy Ritchie chanting mystic spells to "cleanse" Chernobyl, the site in Ukraine of a nuclear plant disaster in 1986.\(^1\) Other news accounts link entertainers Paris Hilton, Britney Spears, Roseanne Barr, Demi Moore, Shirley MacLaine, Ashton Kutcher, Sandra Bernhard, Barbra Streisand, Dianne Keaton, Gwyneth Paltrow, Goldie Hawn, Elizabeth Taylor, Michael Jackson, Mick Jagger, Uri Gellar, Diane Ladd, Laura Dern and a legion of other "stars" with practice of cabala.\(^2\)

Look closely when you see any of these people on TV or pictured in magazines and you'll often see the characteristic red string wristband they wear. Lately, former President Bill Clinton's been spotted wearing it—he's a cabalist—and so has Florida's politician Katherine Harris, who became a famous household icon as Florida's Republican Secretary of State during the bizarre 2000 election snafu. Republican big-wig and former House Speaker, Newt Gingrich is reported to be a cabala advocate, and some say conservative talk show host Rush Limbaugh and his rabbi are also into the cabala.

Among the most notorious of cabalists are the TV comedy stars of the once \#1-rated "The Jerry Seinfeld Show." The producer of the Seinfeld show was Larry David, a Jew, all four of the cast were Jews, and cabalistic hand signs, occult language, and magic rituals were covertly planted in many episodes.
Jason Alexander, who played the loveable loser "George Costanza" on the show, posed for TV Guide magazine in a blatantly cabalistic body pose. Plus, his left and right hands gave the "El Diablo" horned devil sign in an "As Above, So Below" gesture.

Michael Richards, who portrayed the klutzy "Kramer" in Seinfeld, also seems to relish giving cabalistic and Masonic hand signs and gestures. Richards was pictured on the front cover of the Scottish Rite Journal, and inside the publication, he told of how pleased he is to be a Freemason.3

Star Trek's Leonard Nimoy ('Mr. Spock') is constantly sighted in cabalistic poses. His famous Vulcan hand sign on the TV series was actually the Hebrew letter, Shin.4 Its display is part and parcel of Jewish religion. So every time viewers observed Mr. Spock (Nimoy) giving the sign, they were unknowingly being made a participant in a cabalistic occult ritual.

Sodom, Egypt, and 21st Century Judaism

In one of the most controversial of all the many video documentaries I have produced, Cauldron of Abbadon, I stated, "From Jerusalem and Israel flow a torrent of satanic evil and mischief endangering the whole world. "5 Zionist Jews and their cohorts in the Christian Zionist community were angered over what I said, but they had no response to the mountain of facts presented in the video proving my point.

It is undeniable that God Himself, in Revelation 11:8, declares that in the last days just prior to Christ's return, one of the most wicked places on earth will be Jerusalem and Israel. In Revelation God calls Jerusalem "Sodom and Egypt."

The question is, why? Why is Jerusalem and the nation of Israel spiritually "Sodom and Egypt?" I believe it is because of the Jewish religion, a religion diametrically opposed to the Old Testament faith of Moses, Isaac, Jacob, and the prophets.

From the days of the Jews' captivity in Babylon, to today, the religion of the Jews has increasingly grown more dark and more wicked. Jesus openly castigated the Jewish religionists; He called them "blind guides," "fools, hypocrites." He said, "ye devour widows' houses, and for a pretense make long prayer...ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves" (Matthew 23:14-15).

Children of hell, that's what Jesus called the Jewish religious teachers. That was almost 2,000 years ago. Well, guess what? The Jewish religionists are even worse now, in the 21st century. They've had almost 2,000 years more to practice and perfect their evil religion. Today, those who practice satanic cabalism and believe in the Talmud are the children of hell a hundred times over.

In Codex Magica we do not have the space to fully report on the almost unbelievably wicked Talmudic and Cabalistic religion of the Jews. But it is important to understand that the horrific nature of the Jews' religion lie in its man-made traditions. In reality, these traditions are satanic in origin. I refer especially to the Jewish Talmud, the legalistic law traditions of the rabbis, and to the Jewish Cabala (also Kabbalah or Quaballah), which are the mystical teachings and traditions of the rabbis and sages.
If the Jews had stuck to the teachings of the Old Testament, Satan would not have had such terrible inroads. Indeed, if Moses and the prophets had been heeded, or if their writings were honored today, the Jews would believe in Jesus Christ as Messiah and be saved by faith in His promises. Instead, the Jews departed from the prophets, and over the centuries the rabbis steadily developed a body of man-made literature (the *Talmud* and the *Cabala*) that is supremely wicked and corrupt. Their traditions, moreover, are antithetical to the Faith and teachings of Moses and the prophets. (I do not refer, of course, to the Faith of Jews who are Christian believers.)

Worse, it can be remarkably demonstrated that the philosophy and doctrines of the Jewish Cabala are the very fount and wellspring of virtually every wicked, occult sect, satanic secret society, and witchcraft cult that has arisen in the past one thousand years!

The Cabala brings together in one neat package the core of all the Mystery teachings of the ancients. Indeed, the Holy Bible gives evidence that the Jewish elders had brought the Mysteries into the Temple and had conducted secret ceremonies in hidden chambers as far back as the days of the prophet Ezekiel (see *Ezekiel 8*). God called these teachings and rituals "abominations."

Regrettably, the abominations are multiplied in the 21st century Jewish religion in which the Cabala plays a central role.

*The Masonic Lodge and The Cabala*

Freemasonry has long praised the Cabala, and its top officials have admitted that the Lodge's rituals and teachings are but the offspring of the Jewish tradition. Albert Pike, former Sovereign Grand Commander of the Scottish Rite wrote: "One is filled with admiration, on penetrating into the Sanctuary of the Cabala."

Just how much Masonry owes to the Cabala is illustrated by study of the Knights of Kadosh degree (30°). Ed Decker, director of Free the Masons Ministries, reports that the trappings of this degree ritual are "overtly sinister" and incorporate a "High level of Kabbalistic symbolism."

When one is surrounded by black curtains, skulls, and a coffin with a shrouded knight speaking forth from within, it doesn't take a spiritual giant to discern that this is not a godly organization!

Confirming Decker's findings, medical doctor James L. Holly, a Christian who has done great works in exposing Freemasonry, in his outstanding volume, *The Southern Baptist Convention and Freemasonry*, shows how the 30° Masonic initiate is led unawares into a direct spiritual relationship with Satan. In the ritual, Satan is personified as a mysterious cabalistic mystic.

Interestingly, *Richardson's Monitor of Freemasonry* says that, "the Knights of Kadosh Degree is intimately connected with the ancient Order of Knights Templar, as it commemorates their old ceremonies of initiation." Allegedly, the members of the Order of Knights Templar worshipped Baphomet, the hideous male/female Luciferian goat god and conducted blasphemous ceremonies, which included urinating on a cross and homosexual sodomy.
Freemasonry is Jewish

In 1855, the renowned Rabbi Isaac Wise wrote: "Freemasonry is a Jewish establishment, whose history, grades, official appointments, passwords, and explanations are Jewish from beginning to end."\(^{10}\)

The *Jewish Tribune* newspaper, in 1927, in an editorial, stated: "Freemasonry is based on Judaism. Eliminate the teachings of Judaism from the Masonic ritual and what is left?"\(^{11}\)

Ray Novosel, writing from Australia in 2004, states:

**Zionist world leaders, men in influential positions with the various Masonic organizations everywhere, have worked "hand in glove" for a universal world revolution, which will bring in the One World Church and a One World Government. Many Masonic Lodges are exclusively Jewish, as are the controlling...**
B’nai B’rith Lodges—the mother of the infamous and very dangerous Anti
Defamation League (ADL).  

Masonry’s Jewish Roots

A popular pro-Freemasonry web site, in an article entitled "Judaism and Freemasonry," comments:

Jews were actively involved in the beginnings of Freemasonry in America. There is evidence they were among those who established Masonry in seven of the original thirteen states...A Jewish Mason, Moses M. Hays, helped introduce the Scottish Rite in America...Jews, including Rabbis, continued to be involved in the Masonic movement in the United States throughout our history. There have been 51 Jewish American Grand Masters...

There are many common themes and ideals in Masonic and Jewish rituals, symbols, and words.  

The late Pope John Paul II was a believer in Jewish Cabala. On March 22, 1984, the Pope received members of the infamous B’nai B’rith Freemasonry Lodge of New York City, made up exclusively of influential Jews, at the Vatican.

"I am proud to be a Mason" writes Rabbi Seymour Adas, 32°, in this issue of The New Age Magazine (April 1987). Note: The name of this magazine has since been changed to The Scottish Rite Journal, to hide the connection of Masons with the occultic New Age movement. In fact, the Masonic order is predominantly led by Jews. As its former Sovereign Grand Commander, Albert Pike, has revealed, the symbols and rituals of Freemasonry are all based on the Cabala of the Jews.
The most honored Masonic leader in the history of Freemasonry was Albert Pike. Pike maintained that, "every Masonic Lodge is a temple of religion; and its teachings are instruction in religion." Now, Pike also asserted that the true meanings of the symbols of Freemasonry are found in the occult philosophy of the Jewish Cabala, that Freemasonry owes all its secrets to the Cabala, and that Freemasonry is a religion based on the Cabala.

_Demons, Magic, and Mysticism in the Cabala_

Here are the eye-opening comments of a number of knowledgeable authorities on the Jewish Cabala:

The Cabala contains such power and demonic teaching, it is more than enough to give the ideology and driving force needed to lead the world astray and to keep such an evil conspiracy alive through the centuries...The Cabala is a teaching source of the Freemasons as well as for other groups.

Twisted Satanic Rituals and lies

The rabbinical doctrines and teachings of Cabalism are based on a curious blending and mosaic of astrology, numerology, graphology, color magic, symbology, alchemy, pagan religion, and pure Luciferianism. There are hand signs and body gestures, talismanic jewelry and clothing, hidden codes, and on and on. The end result is a confusing jumble of "man is God" theology (but only Jewish man—Gentiles are inferior) and magical formulae, words of power, incantations and spells. Heads of chickens are cropped off and blood sprinkled around; "magic cords" of specific color are worn on the wrist as miracle-working bracelets; magic water is used to heal; magic symbols are objects of trance-like mediation; and mantra-like chants are repeated over and over.

The 22 letters of the Hebrew alphabet are touted as religious idols of great magical powers. Even their shapes are studied and accorded supernatural powers. Angels, Archangels, grimoires, devas, and elementals are worshipped and feared. There are "gods" and more "gods" but only a mysterious, hazy supreme deity behind everything. This supreme deity is a pantheistic god who fills up the whole universe. In fact, he is the macrocosm, the Universe.

Of course, as in all Illuminist magic, there's the double-minded theology of "As Above, So Below," the insidious lie that black is white and vice versa; that good and evil are one, that the shadow and the substance are unitary.

Sex magic holds an important place in Cabalism, and sex ritual is a popular vocation of students of Cabala.

Margie Martin, in her informed, unpublished manuscript for her upcoming book, The Molten Image, explains that the Tarot cards of witches and occultists are of Jewish origin and correspond with the 22 letters of the Hebrew alphabet.

Finally, Cabalism is pure Illuminism because it teaches the secret doctrine that, ultimately, the higher level adept learns: That the Holy Serpent is the true God; that all the evil that a person does, through alchemy, is magically transformed into righteousness; and that, yes, Lucifer is Lord. Satan is the true and only god. That is the essential doctrine of Cabalism.
The Star of David and The Jewish Utopia

The symbol of the Jewish six-pointed star, known as the Seal of Solomon and as the Magen David, is the preeminent symbol of Cabalism, but other symbols, signs, and marks also hold the interest of cabalists, including the pentagram or pentacle, the triangle, the circle, the sun, the obelisk, the yoni, and the diamond. It is believed by cabalistic rabbis that there are hidden codes and messages in the numbering of scriptural letters. It is also believed that by working the Cabala, the earth may someday be renovated, rebuilt, perfected. This, say the rabbis, will result in a perfect Jewish Kingdom, or Utopia on earth, ruled by a Cabalist Master, a Jewish leader, naturally.

This belief system of the coming of a Jewish Utopia fits in well with the teachings of the Illuminati. Lady Queensborough, quoting the Jewish authority Bernard Lazare, in the classic Occult Theocracy, reported that, "There were Jews behind Weishaupt, founder of the Order of the Illuminati...Jewish financiers such as Daniel Itzig, Friedlander, Ceeffbeer, Benjamin and Abraham Goldsmid, Moses Mocatta, Veitesl Heine Ephram...also Moses Mendelsohn, Naphtali Wessely, Moses Hersheim..."16

For many years, in Europe and Russia, reports of cabalistic blood ritual sacrifices of young Gentile girls and boys were commonplace. While many were hype and based on old wives’ tales, apparently at least some accounts proved to be true, as documented in this revealing book.

CHALDEAN MAGIC

ITS ORIGIN AND DEVELOPMENT

This front cover of book “Chaldean Magic” highlights the importance of the Star of David to occult ritual and magic.

Francois Lenormant
The hexagram, long a magical symbol, was adopted by the Jews in Europe during the medieval period. It later became the centerpiece of the Israeli flag. Here we see a variety of hexagrams, also known as the Jewish Star of David or simply as the six-pointed star.
The magic of the Cabala calls for many uses of the occultic star. Both the five pointed star and six-pointed star are used by Jewish magicians who work the Cabala formulas and rituals. An enduring cabalistic tale is that of the Golem. In medieval times, it was taught that by use of the magic word and by other means, an inanimate man made of clay or dust could be made to come alive. A huge and powerful monster, or beast, the Golem would then do the magician's bidding. In 1920, the classic film Der Golem created a stir. Directed by Paul Wegener, Der Golem depicted the monster variously wearing either the five-pointed star with one point up (white magic) or two points up (satanic). Also the six pointed Star of David played a part in the film's plot as a Jewish Rabbi, Rabbi Low, using the secret word "AemAct" brought life and breath into the artificial man.

In Der Golem, Rabbi Low employs the magic word and the pentagram star to bring life to the creature.

Der Golem's film crew used this drawing as a model.
In the film, the Golem is clearly identified with Judaism by use of the Star of David.

Der Golem was shown during the movie with the pentagram star. Here we see two points ascendant (negative; horns of evil).

The relative position of the star points varies through the movie. It is seen here with one point ascendant, indicating positive, good magic.

Placing one hand, resembling horns, in the other symbolizes the idea that the person is entrusting his soul in care to the superior deity (Satan). Thus, he is submissive, playing down his own power and acknowledging a superior power which controls him. No, Israeli Prime Minister isn’t really striking a Sinatra pose. As is often the case, in cabalism magic, a picture reveals the hidden message. The accompanying article (U.S. News & World Report, May 24, 1999, p. 43) is entitled, “Getting into the Ring,” and discussed the fact that key American political strategists and consultants like James Carville and Arthur Finkelstein went over to Israel and worked for the election of Barak, an Illuminati favorite. Needless to say, Ehud Barak won!

Barak strikes a Sinatra-esque pose on the campaign trail.

Mordechai, a fading third-party candidate in Israel’s presidential election, dropped out of the race and threw his support to Labor Party candidate Ehud Barak. This, the American argued, could push Barak’s share of the vote over 50 percent and give him a clean, first-round knockout of Prime Minister Binyamin Netanyahu—avoiding a run-off election on June 1.

Mordechai demurred, but he had to listen. “Danny [Abraham] is a contributor to Itzik, and he wanted him to join up with Labor,” says a source close to Mordechai, who reportedly made three trips abroad to raise funds from American Jews like Abraham, who built a fortune on the Slim-Fast brand of diet supplements.

Israel’s 1994 election law prohibits foreign contributions to candidates. And yet, the only thing unusual about Mordechai’s campaign is its candor. Both of Israel’s major parties, Labor and Likud, also are suspected of receiving indirect assistance from wealthy foreigners. Campaign insiders say that $4 million in foreign money flowed into the 1992 elections, and that the taps opened even wider in 1996 and this year.

Atmospheres. Rather than going directly into party coffers, the money pays for “atmospheric” advertising that does not promote a candidate by name, but pushes an agenda: for transportation of voters to the polls, including chartered planes that bring Israeli citizens home from abroad shortly before election day; and possibly for campaign advice, although this is disputed.

Both of the big Israeli parties have expensive American consultants. Arthur Finkelstein, the Republican strategist, advises Netanyahu. Finkelstein said in an interview that he is paid just $4,000 per month by Netanyahu’s Likud Party—considerably less than he charges some American clients. Meanwhile, Ron Lauder, heir to the Esteé Lauder cosmetics company, admits hiring Finkelstein, but not on behalf of Netanyahu. It is unclear how Democratic consultant James Carville has been paid for his work on behalf of Barak. But Likud filed two complaints last week against Barak’s campaign, charging use of nonprofit groups to circumvent funding laws. Says Menachem Hofnung, a Hebrew University political scientist: “The politicians go abroad and raise the money for so-called nonprofit associations, even though everyone knows it benefits their campaigns.”

The androgyne, a combination creature of male and female, symbolizes the hermaphrodite principle of the two-faced entity, or two-headed eagle. In the Jewish Cabala, this strange creation, a conjunction of the feminine and masculine principles, is known as “Adam Kadmon,” both Adam and Eve, a Golem. This conjunction of opposites is part of the science of alchemy, or hermeticism and is especially beloved by occult magicians. In witchcraft, it is known as the joining of sun and moon, and sacred sex rituals are common.

San Francisco Mayor Gavin Newsom lets insiders know he's one of them with this cabalistic hand/arms gesture. Newsom became the gay community's ultraliberal darling in 2003 by promoting gay marriages. *Time* magazine's editors go wild in this article, mentioning that the mayor is "simply adored," touting his many achievements, and insisting that publishers give him a "fat cat" contract to write a book. The glossy magazine *Town & Country* selected David Rockefeller, Sr., President of Chase Manhattan Bank and founder of the Trilateral Commission, as "Our Generous American for 1995." This full page photo, bearing no caption or explanation, was included in the magazine exactly as you see it. Occult experts and those knowledgeable of masonic and cabalistic signals will recognize the significance of Rockefeller's pose; also the "X" design cufflinks and the "diamond" designs of necktie.
Former President George Herbert Walker Bush and PLO Chief Yasser Arafat use cabalistic signals to communicate the attitude of resignation and the knowledge that their time in the sunlight is now over. (Bush photo: Texas Monthly, July, 2003, p. 97)
Cabalists and members of many secret societies use "sacred geometry" to create designs and symbols of magical and occultic power. This is the cover of one book on this subject. Hundreds of books and texts on sacred geometry have been published over the centuries, from the days of Pythagoras.

The Hindu religion also is big on sacred geometry and cabalistic oriented measurements and architecture. This is a "plan" for a Hindu temple based on the diagram of the Perusha, or "Cosmic Man." The ancient Hindu architectural sutra (rule) proclaims that, "The whole universe is present in the Temple in the form of geometric proportion." In the Hindu practice of Yoga, the participant bends and twists his or her body parts and limbs into specific forms symbolic of universal energies (Drawing from book, Sacred Geometry, by Robert Lawlor, Thames and Hudson, London, 1989, p. 92)
The Illuminist insider who titled this article was in the know. It reads: ‘Seinfeld’ In A Parallel Universe.

The photo shows the four entertainers from TV’s wildly popular sitcom each in cabalistic poses. All four are Jewish as is the show’s producer.

Actor Jason Alexander (“George” in Seinfeld TV series) performs a cabala ritual in plain sight of a vast audience. To the uninhibited and ignorant millions of people who read TV Guide and see this cover, Jason Alexander appears to be merely hamming it up. Little do they know of the deeper occult meaning. For example, we find Jason’s left and right hands giving the “El Diablo” satanic hand sign. His arms—one pointing up, the other down—indicate the dualistic (marriage of opposites, or reconciliation), cabalistic magical philosophy “As Above, So Below” (The devil goat Baphomet performs the same sign). We also note the three triangles presented by Jason’s legs and arms.
Again we discover the comedy team from *Seinfeld* teaming up to present cabalistic messages. Observe the V in Michael Richards' ("Kramer") leg and in Julia Louis-Dreyfuss' ("Elaine") arm; the circle that Richards makes with the fingers of his left hand, the "X" made by the intersecting hands and wrists of Richard and Louis-Dreyfuss; the descendant triangle sign of Jason Alexander's ("George") hands, and so on.
Sign of the Ram: 2004 Vice Presidential candidate, Senator Joseph Liebennan, a Jew, on the campaign trail. The placement of both hands downward to create the appearance of the two horns of a ram is a cabalistic sign often given by members of Middle Eastern Lodges, especially the Masonic lodges of Israel. It is a sign of high rank and is said to invoke good fortune on the part of the user. The sign is often given publicly at the beginning, or commencement of a project to enhance success.

Promoter Sidney Shlenker, here giving the sign of the ram, was in the news back in 1992, Shlenker, a Jewish wheeler-dealer and owner of a professional basketball team, was co-builder of Memphis, Tennessee’s massive new Great Pyramid of the Americas.

Newly chosen Palestinian leader Mahmoud Abbas, successor to the late PLO Chief Yasser Arafat, gives the cabalistic sign with his hands to indicate expectation of success and to invoke good fortune. It is thus apparent that Abbas is a servant to the Jewish Illuminati who only pretends to represent Palestinian interests. *(U.S. News & World Report, January 10, 2005)*

*Hindu Dance, Hindu Gods:* The positions of Hindu classical dance (*Bharat Natyam*) describe geometric angular relationships from the axis of the body’s center of gravity just below the navel. These positions, while defining principle angles, are also often attributed to various deities and are meant to convey their characteristic powers. The late Arthur Murray was called "America's Dancing Master," and so he was. A talented genius on the dance floor, Murray's real name was Arthur Teichman, Jewish of course. From the era of the roaring 20s to today, a number of the fad dances were based on masonic and Jewish cabalistic rituals.

Mr. Spock, a Star Trek character played by actor Leonard Nimoy, became famous for giving the Vulcan greeting with his right hand. Nimoy, a Jew, says that the sign is the same gesture given in Jewish Synagogues when the Rabbi and Elders bring out the Holy of Holies. It is based on the Hebrew letter "shin." In essence, on the popular TV show, every time Spock gave the "shin" Vulcan greeting hand sign, he was invoking cabalistic magic.
Scorched by the Sun—Solar Signs, Circles, and Serpents

*It is He (God) that sitteth upon the circle of the earth...*  
- *Isaiah 40:22* (written about 1,000 years before Columbus proved the earth was not flat)

*It would not be impossible to prove, with sufficient repetition and psychological understanding of the people concerned, that a square is, in fact, a circle.*  
— Joseph Goebbels  
Propaganda Minister  
Nazi Germany

*In the mythology of the primitive world, the serpent is universally the symbol of the sun... The serpent was universally represented by the sun symbol, the circle or disk.*  
— Bishop Alexander Hislop  
*The Two Babylons*

The sun has ever been at the center of false religion. The Ancient Mystery Religions venerated the sun, the solar disk, as deity. The Greeks honored Apollo as the child of the sun. The Romans paid homage to Mithra the sun god. These pagan philosophies form the basis for the worship of the
Illuminati and indicate the importance of the sun as symbol of satanic deity.

Englishman John Yarker, a well-known nineteenth century Masonic magician and occultist, in his Notes on the Scientific and Religious Mysteries of Antiquity, makes mention of the fact that the High Priests of the ancient Jews also worshipped the sun god. He writes:

The Mysteries we know were practiced in a secret subterranean chamber under the Temple of Solomon, at Jerusalem, where four and twenty elders adored the sun, with their faces toward the east.'

What Yarker says is true, but as the Scriptures give evidence, this unholy worship by the Jewish leaders in secret was an abomination to God. Ezekiel 8 makes this crystal clear. It is understandable why God would so detest worship of the sun god by the Mystery Religions and by the apostate Jewish elders. In reality, in worshipping the sun, the ancients were worshipping Satan. G.H. Pember, in a scholarly work on the Mysteries, Earth's Earliest Ages, affirms this fact when he states, "There is little doubt that the culmination of the Mysteries was the worship of Satan himself."2

Now today, the Masons, as did the apostate Jewish elders and priests in the days of Ezekiel, continue to worship Satan the sun god, also called Lucifer or Baal, by other names. The name of their great god, Jahbuhlun, which is revealed to Masons in the higher degrees, is a synonym for the solar deity; two of the three syllables in the name, buh and lun, mean "Baal" and "On," both of which represent sun and fire gods. That is why, in the authoritative guide Gods of the Lodge, Reginald Haupt reports that in the Lodge:

All the movements by the Consecrating Officers of the Masonic Lodge or Chapter follow the course of the Sun. The Master and the Wardens enter and leave their chairs as the Sun returns to the East and goes forth therefrom. Most processional occasions are governed by these principles of what is known as "circumambulation." This ritual came from the ancient pagan rites of the Egyptians and from the worship of their Sun God and of the sun itself.3
Halos, also known as nimbes, present the individual as a saint, a deity, or other holy person. (From the Herder Dictionary of Symbols, Chiron Publications, Wilmette, Illinois)

At right: Congressman Tom Delay (R-TX), House Majority Leader, pictured in Time magazine. Politicians are sometimes framed with a sun-like halo, called a "nimbus," over their heads. This gives them the subtle majestic appearance of being some type of god-man.

In honoring and worshippers the sun in their rituals, Freemasonry and Illuminism defy God. The Bible's Job displayed great wisdom by uttering these words concerning God's thoughts concerning worship of the sun and the heavens:

>If I beheld the sun when it shined, or the moon walking in brightness; and my heart hath been secretly enticed... this also was an iniquity to be punished by the judge; for I should have denied the God who is above. (Job 31:26-28)

The Swastika Represents the Sun

The Nazi swastika is a representation of the sun. But the Nazis simply borrowed this symbol from the ancient religions, including the Hindus of India, the Shintoists of Japan, and a number of Native American Indian tribes. Even today, in temples and shrines throughout Asia, you will find the swastika painted on walls, on totem poles, and over altars. Until Hitler and the Nazis gave the sign a bad reputation, the Masons also universally used the sun sign. And today the symbol of the circle, particularly that of the point within the circle, is a prominent feature of Masonic theology.

The Point Within the Circle

According to Mackey's Masonic Encyclopedia the hidden, true meaning of this symbol, the point inside the circle, is far different than what the everyday Masonic brother is told. In reality, its meaning is yet another proof that Masonry is a sex cult. Mackey says the esoteric explanation is that the point within the circle is the male phallus, or penis, and the circle is the female yoni, or vagina. Here, says Mackey, is a "symbol of fecundity, expressed by the male generative principle."^4

But, Mackey emphasizes, the sun is still not forgotten in Masonry, for while the
phallus (point) and the vagina (circle) symbolize the sex act (the generative principle), they also represent the sun as deity. The point with the circle is the sun god.

“At times,” Mackey observes, “this circle is represented by the ananta (Sanscrit for eternity), a serpent with its tail in its mouth.”

Since the symbol of the point within a circle is of such overriding importance to the Illuminati Masons and yet is so little recognized as significant by the dumbed-down masses, many Illuminists enjoy a bit of mockery of the masses by blatantly displaying this symbol. Some believe the Target department store chain logo—the red circle and point—is one example.

**Pat Robertson's Hidden Message**

Pat Robertson, Religious Right leader of TV's *The 700 Club* and founder of the Christian Coalition, gives us another graphic example. Some years ago, Robertson had two books ghostwritten for him, one called *The New World Order* and another titled *The New Millennium*. As happens often in elitist circles, the opinions and material for both books seemed to be decidedly anti-elitist; they even exposed the global conspiracy and the Illuminati. So, was Pat Robertson really joining the fight against the evil Illuminati? Not on your life!

The books were for the "stupids," the masses. While reading *The New Millennium* the reader ignorant of the uses of symbolism probably ignored the fact that at the top of every page, a point within a circle could be found. This was Robertson's "hidden code" to his elite pals that he was still on their side and was just taking the ignorant masses for a ride.

**The Sign of the Mafia, the Illuminati and of Druids**

According to Dr. Cathy Burns, in *Hidden Secrets of the Eastern Star*, the point within the circle is, "The sign of the infamous Mafia or Cosa Nostra," rather than the "black hand" as many believe. But the real shocker is the importance given this sign by Adam Weishaupt and the Order of the Illuminati. Burns explains that because Illuminism was so determined to keep the true nature of the Order under wraps, its founder, Weishaupt, ordered that the actual words "Illuminati" and "Illuminism" never be used in correspondence. Instead they were to be replaced by the astrological symbol for the sun; that is, the circle with a dot in the middle.7

Burns also gives evidence that the point within...
the circle was used by the Druids of Britain, whose stone temples were circular with a single stone erected in the center. They believed this design conferred magical powers.

Flower Power and Magic Circles

The daisy flower, the marigold, and the sunflower also are indicative of the sun as deity and so, traditionally, adherents of the Mystery Religions, as well as Hindus, Zoroastrians, and others, utilize these symbols. Adam Weishaupt, founder in 1776 of the Order of the Illuminari, encouraged "Flower Power" as a symbol, and it was taken up by New Age hippies in the '60s.

That symbol of the circle is, for the Illuminari, sort of a pared down, basic sun sign. That is why the circle is used so frequently and in a score of configurations within Masonic and other secret society networks. It is also a staple of witchcraft and Satan worship. Bill Schnoebelen, author of many books unmasking Freemasonry, witchcraft, and the occult, was himself formerly a Mason as well as a male witch. He has described the witch's "temple" as follows:

In witchcraft, the "temple" is frequently not a building but rather a sacred "Magic Circle" laid down on the floor of a room with great ceremony. It is the sacred space of the Wicca and serves the same function as a temple does to the Mason.
Gods or Men?—Is there a concerted plot to flood our consciousness with images that build world leaders into Mount Olympian man-gods, mythological giants on earth? Internet sites www.freepressinternational.com and www.Rense.com caught on to this recent trend and published a number of photographs that seem to confirm this bizarre plot. Free Press International, an alternative news website, wrote, "These are just a few of the many photographs mainstream media has been deliberately releasing to the public showing our world leaders with halos. I'd say with the shape our world is in right now, they should have horns instead of halos. Most of these pictures are coming from Associated Press, and Reuters." Surely, the scriptures were right on when they warned that the Devil himself often comes disguised as an "angel of light." (Note: Codex Magica has seen these pictures published in an increasing number of media forums, from Time and Newsweek to daily papers.)
Upon his death, *Time* magazine published this telling photo of Beatle superstar George Harrison (1943-2001) on the cover of its December 10, 2001 issue. Harrison, wearing black, in a black and white photo, holds a sunflower, symbol of the Illuminati Sun God. The solar deity is also prominently worshipped in the Hindu religion, and the Beatles were devoted followers of the Maharishi Mahesh Yogi and other Indian Hindu gurus. *Time's* feature story, in fact, reports that George Harrison never gave up on his gurus, to his dying breath. All the Beatles were drenched in illegal drugs, such as cocaine, hashish, and heroin. Their album, *Sergeant Pepper's Lonely Hearts Club Band*, even had a cameo photo of British "666" beast satanist priest, Aleister Crowley, on its cover. The latest information is that the Beatles were an experimental music group sponsored behind the scenes by British and U.S. intelligence. Their role was intended to use various psyops mechanisms and anti-Christian messages to arouse turmoil and psychological trauma in society. One of the Beatles most memorable albums was titled, *Magical Mystery Tour*. Beatle John Lennon was murdered by a man many believe to have been a CIA trained "Manchurian Candidate," and George Harrison was once assaulted and stabbed by a would-be assassin.

The swastika (swirling sun sign) was not invented first by Hitler and the Nazis. It is an old Freemasonry symbol. One can find swastikas painted and carved on ancient temples in Japan and India, and on Native American Indian pottery and artifacts. It seems that the forces who gave us this sign, the swastika, continue to attempt to reintroduce it to the masses. BBC News on-line recently reported that Hindus want to reclaim the swastika, which their gurus claim has been a Hindu good luck sign for centuries. “It’s the second most sacred symbol in the Hindu tradition,” said Hindu Forum spokesman, Ramesh Kallidai. (BBC News/UK, January 19, 2005)
In 2003, when the Coca-Cola Company in Hong Kong ran an ad promotion featuring a robot adorned with swastikas, Jewish spokesmen balked. A Jewish rabbi, however, admitted, “The Nazi swastika can easily be confused with Buddhist swastikas that are common in Asia.” (Ananova.com news, May 1, 2003)

The Illuminati seem to have an unusually passionate, if bizarre, attachment to jewelry, tie tacks, ties, and items of clothing. The Masons wear aprons, high hats, black clothing. They wear ties and rings emblazoned with symbols. And as the individual Mason progresses upwards to the 33rd degree, he is awarded "Jewels" befitting his various earned degrees. Their ardent attachments to rings—some would call it idolatry—was exemplified
in an article in a recent issue of *The Louisiana Freemason*. The author, Mason David Roach, entitled his article, "If You Only Knew What This Ring Means to Me." He called the symbols engraved on his ring "precious," compared them to holy things from Scripture, and said the Masonic ring was akin to a "Crown of Purity." His ring was simply a typical, gold band made with the Masonic square and compass and letter "G.""2

**Sexual Idols**

Former Mason Bill Schnoebelen, now a Christian, reveals the awful truth about most of the Masonic rings, tie tacks, and other symbolic items when he writes:

> Let's face it, the Masonic tie tacks and rings that so many Masons wear proudly to their churches on Sunday are sexual idols...The gods, like Baal, of all pagan nations around Israel were all sexual idols. This is precisely what God does not want in His Church, and yet all these Masons are flaunting both their idols and their (church) membership.3

Schnoebelen also mentions a little pin many Masons wear on the lapel of their jacket or coat shaped like a hockey stick with two balls attached. It is named "Tubal Cain." In reality, it represents a man's phallus and testicles; yet, the pin is worn publicly and proudly by many perverted Masons.

**A Bond Between Chieftains and Warriors**

Barbara Walker, editor of *The Woman's Dictionary of Symbols and Sacred Objects*, discusses the significance of the ring in her book. She says that, "Rings were traditional symbols of the bond between chieftains and their warriors in Anglo-Saxon England." Moreover...

> Among the Celts, a ring given by a woman to a man represented her sexual availability; putting the finger through the ring was a sign of sexual intercourse.4

The ring, then is a symbol of authority, of bonding, and is a sign of the covenant made between the inferior and superior members of the Illuminati group.

In ancient religions and cultures, rings were also *magical* in nature. According to cabalistic rabbis, King Solomon used a magic ring with a hexagram symbol on it to enslave the demon Asmodeus into helping him build his famous Temple.

Some members of the Illuminati in France in the late 18th century, about 1780, founded a new secret order, the Academy of Sublime Masters of the Luminous Ring. The tenets of the group were Pythagorean, and the fields of geometry and science were emphasized.5

In today's Illuminati, the philosophy underlying the use of rings, neckties, etc.
continues from such traditions. The ring is configured as a circle, implying the supposed eternal reign of their god, Lucifer. He shall, they declare, wear a crown of gold. Thus, the metal of gold is favored.

_The Mystic Tie of the Masons_

The Masonic fraternity teaches the illusory goal that all who are inititated into its ranks are bonded by the "Mystic Tie" of fellowship. Of course, this is allegory, and yet the necktie does seem to have a special place in Masonic lore and symbology.

It is believed that both the bowtie and the traditional necktie are of Masonic symbolic design. The necktie has two triangles descending, a larger and a smaller. It is tied into a "knot" at the neck, signifying solidarity and unity. The neck itself, as a part of the human anatomy, represents the virtue of sacrifice. In terms of the secret order or secret society, it symbolizes sacrifice of the individual to the common good of the organization. The necktie is also seen as a bridge to two other triangles — those of the shirt collar. All of the triangles, on the tie and on the shirt collar, have their point, or spear, downward, toward the realm that is the controlling force of Masonry.
Triangles and more triangles on yet another of President Bill Clinton's ties.

The nomination of Madeleine Albright as secretary of state has sent shivers through the Arab world. But some U.S. Jewish officials fear she may turn her fearsome tongue on Netanyahu.

If there is one moment that defines Madeleine Albright's persona as a diplomat, it could very well be the hour last February when she stood before the United Nations to make her case for the United Nations Security Council to order Serb forces out of Kosovo. Now Albright will have to turn her combative style toward the Middle East.

Clinton to nominate her to be his new secretary of state. Yet as she awaits Senate confirmation, many in the foreign-policy establishments in Washington, Israel and the Arab world are wondering anxiously whether the Slim, no-nonsense Albright will have the combination of skills needed to negotiate a peace agreement between Israel and Syria in 22 weeks in the region.
According to news reports, Monica Lewinsky, President Bill Clinton's White House intern lover, gave him a special necktie. When he wore it, she could watch him on TV and know he was thinking about her.

The Nature Conservancy, a radical environmental group, boasted in its March/April 1998 magazine that CNN founder Ted Turner, Presidents Bush and Clinton, and Vice President Gore often wore oak-leaf ties to denote their support for environmental causes. The oak tree and its leaves are a staple of druid witchcraft and are popular as symbols among nature followers of the forest horned god Pan.
President Harry Truman (left) and Secretary of State Dean Acheson, both Illuminati initiates, each wear neckties imprinted with "sun god" symbols.

President Gerald Ford, a 33rd degree Mason, wears a necktie with the "cross of Baphomet" emblem of the occultic OTO and British satanist Aleister Crowley. The symbol is also worn by the Sovereign Grand Commander of Scottish Rite Freemasonry. Ford was a member of the Warren Commission that came up with the preposterous conclusion that Lee Harvey Oswald acted alone in the assassination of President John F. Kennedy. Chief Justice Earl Warren, like Ford and all the other members of the commission, was a 33rd degree Mason.
House Speaker Newt Gingrich wears a necktie designed by satan worshipping rock music star, Jim Morrison of The Doors.

Illuminist signals: Insiders say speaker Newt Gingrich is a vain man who does not like being photographed without make-up. Here he is below pictured in USA Today newspaper (December 5, 1994, p. SA) primping for a taping of NBC's "Meet the Press." This provides greater curiosity about Time's running as its front cover (see following page of Codex Magica) a staged picture of Gingrich in which the speaker is looking haggard and sweaty, his face red-flushed, and needing a shave!
On House Speaker Newt Gingrich's necktie we find what appears to be a triceratops dinosaur and a small daisy flower, each image packed with powerful symbolic content.
At left: This cover of *Time* announcing the selection of House Speaker Newt Gingrich as *Time's* "Man of the Year" reveals many mysteries. First, the issue is dated December 25, 1995/January 1, 1996. December 25th, Christmas Day, is also the day the ancient Romans and Greeks worshipped the Sun God. In his photo, Newt Gingrich appears tired and dismayed. He is sweaty. No make-up is used, and he has a day old growth of stubble on his face and neck. There is also a red coloration or flush on Newt’s face. His head is strategically placed behind the *Time* logo, communicating the subtle message that his time in the political limelight is about up. In fact, Gingrich did abruptly resign and leave his high level post shortly after this issue; some believe his departure was caused by his unseemly romantic liaison with a female staffer, an affair which prompted the Congressman to divorce his wife. However, the most significant images you'll find on this cover are hidden on Newt Gingrich's necktie! Look closely at the inset and what do you see? A dinosaur. The cave age monster is facing downward toward a flower. The Illuminati’s founder Adam Weishaupt, in the late 18th century, introduced the concepts of "flower power" and nature worship (shades of the hippy era of the 60s!). So that might explain the flower. But what about the dinosaur? It seems that Newt (get the name, Newt? - isn’t a Newt a form of lizard?) is a dinosaur fan. Gingrich once borrowed a Tyrannosaurus Rex dinosaur bones exhibit from Washington, D.C.’s Smithsonian Museum and kept it on display for a long time in his House Speaker’s office. News magazines often commented that Newt Gingrich was wry proud of the T-Rex display and constantly asked friends and associates, "Would you like to see my T-Rex?!" Now, Webster’s dictionary informs us that the root word for "tyrannosaurus" is tyrann, or tyranny, defined as "A government in which absolute power is vested in a single ruler"—a ruler unfettered by a constitution! What's more, the short version of the dinosaur's name, T-Rex, would have a very special meaning for occult illuminati. "T" stands for Tammuz, the Christ figure to come, whose symbol is the T, or Tau cross. The word "Rex," meanwhile, stands for Man as King. In Weishaupt's Illuminati system, the highest degree initiate earned the "Rex" degree. Thus, the symbols on Newt Gingrich's necktie, displayed for all the world to see, but for only Newt and his Illuminati henchmen to understand, trumpet this message, that: Our Illuminati goal is a tyranny, ruled by a single ruler—the fearful antichrist, beast of prophecy!

The caption reads: "Speaker Newt Gingrich shows off tyrannosaurus rex Osborn in his Capitol office. It's on loan from the Smithsonian." Observe Gingrich's Masonic handsign also, which is similar to the sign of a Master Mason. (Photo: *Roll Call*, May 22, 1995, p. 14)
When I sent Dr. Cathy Burns, a foremost authority on occult symbols and their meaning, a copy of speaker Newt Gingrich’s *Time* magazine photo with the T-Rex dinosaur image on Newt’s necktie, she sent me back this flyer advertising a book, *The Church of Satan*, written by Luciferian High Priest Michael A. Aquino. As you can see, the flyer has images of two dragon serpents atop satanic pentagrams facing each other (the occult sign of duality, or “as above, so below”). In fact, the two serpentine dragons do resemble the T-Rex dinosaur image.

New York Mayor Wagner kneels and kisses the ring of Catholic Cardinal Spellman as Reverend McGinly, president of the Jesuit-run Fordham University, looks on with a sly grin on his face.
It seems that California Governor Arnold Schwarzenegger ("The Terminator") is well-schooled in the propaganda value of well-placed props in photographs, such as the U.S. flag, the State seal, and even a broom! What is most fascinating, however, is the big, blue sapphire masonic ring the Governor wears and so readily shows off. Apparently, the media know what's what and the photographer always seems to be glad to picture Arnold's ring up close. Oh, about the broom: That's not the same one that Arnold's wife, Kennedy heiress Maria Shriver, flies around on, is it?

Inset below left: C. W. Leadbeater, homosexual occultist who was head of late 19th Century Theosophy after Madame Blavatsky, wore a ring similar to the one sported about today by Arnold Schwarzenegger.

"Ring: forward, photograph!," barked Arnold to the USA Today photographer and editors who eagerly and obediently complied. (Photo: USA Today, December 22, 2003)

Recently, Bohemian Grove alumnus Arnold Schwarzenegger met privately with Warren Buffett (left), America’s second richest man according to Forbes magazine, and Britain’s Lord Jacob Rothschild (right), at the Rothschild mansion in England. Schwarzenegger evidently earned the endorsement and support of Jewish groups the old-fashioned way—he "bribed" them with millions of dollars!
Arnold Schwarzenegger, Mr. Universe, giving a very familiar hand salute. Schwarzenegger once remarked: "I admired Hitler because he came from being a little man with no formal education up to power."

Sort of a feminine version of the ring worn by Governor Arnold Schwarzenegger. Offered in *The Pyramid Collection* catalog, 2004.

Also available in *The Pyramid Collection* catalog, this "Midnight" cape. The catalog says it is "fit for a Count—or Countess." The color of the cape is listed as black and red. "It makes a fiery statement," says the advertising copy.

In his excellent publication, *Criminal Politics*, this author's good friend, Lawrence Patterson, published a fascinating story (excerpt at left) about this ring. It is the 13th ring of the Illuminati founders of the Federal Reserve Board. It was owned by Bernard Baruch, wealthy benefactor, advisor, and controller behind the scenes of President Franklin D. Roosevelt. Baruch gave this gold ring to Dr. Nancy L. Nicholson, heiress of a disputed financial empire. Dr. Nicholson is not a conspirator of the Illuminati although she was raised among the Rothschilds and other dynasty members. Her father, she says, was Lucky Luciano, the infamous Mafia leader. A close look at the engraving on Bernard Baruch's ring reveals what seems to be the number 6 repeated in a combination circular and spiral design. This issue of *Media Bypass* magazine (September, 1996) featured the activities of Charles Hayes, who was said to be a retired operative of the CIA. According to the magazine, Hayes had been busy in retirement as a vigilante exposing the financial skullduggery and crookedness of various high-level politicians and world leaders. On the cover of the magazine we find Mr. Hayes in front of law library publications and a Great Seal of the U.S. plaque, puffing placidly on a pipe. But what stands out is the mysterious ring with the devilish face, composed of some type of blackish material, inside a circle. A few months after this issue was published, Charles Hayes was indicted by a federal grand jury and arrested. News reports allege that Hayes was guilty of solicitation of murder. Did the revelations contained in the article in *Media Bypass* cause the elite to take action to shut him up? Or was something else up? What is the riddle of the mysterious ring with its curious image?
This mysterious photo of Oscar-winning actress Julia Roberts in *Time* magazine gives us an intriguing view of two rings she wears. On her right hand is the blue-stoned rectangular ring, and on her left hand is a ring with a strange image, indeed one could even say the ring has a creepy and eerie image. In the accompanying article, the writer acclaims Roberts as "the reigning queen of Hollywood."
Without caption, *Brill's Content* magazine published this photo of Russian President Vladimir Putin. The black border is unusual and obviously connotes a dark and evil significance to Putin's character. The necktie Putin wears has Illuminist meaning. The X of Osiris is prominent in the design as is the two triangles—one pointing up, the other down—inside a diamond.

Manly P. Hall, 33°, informs us of the occult meaning of the Pythagorean Signet Ring in his classic textbook, *The Secret Teachings of All Ages*. Albert Pike, former Sovereign Grand Commander of the Scottish Rite Masons, wrote in *Morals and Dogma* that the pentagram (pentacle, cabalistic star) on this ring "carries with it the power of commanding the spirits." Use it, he instructed, to "bind the demons of the air, the spirits of fire, the spectres of water, and the ghosts of the earth." Note that the star atop the ring is encircled by the Oroboros serpent.
OK—Sign of the Divine King

"Annuit Coeptus" - He approves our undertaking.

— Latin inscription atop
the all-seeing eye on
the U.S.A. one dollar bill

Westerners know it as the "okay" (or "OK") sign. It's done with the fingers and thumb of right or left hands (usually the right). Simply touch the index finger to the thumb, creating a circle. The other three fingers then spiral off and there you have it—the well-known symbol for OK. Universally, this sign means alright, acceptable, good, right-on, you bet!, A-OK, satisfactory...

But to occultists, the OK sign takes on darker significance. First, we have the circle, indicating the sun deity and the Mason's never-ending quest for more light. To Freemasonry, the circle also represents the female genitalia, or yoni. In the Hindu religion, the OK sign is a revered mudra (sacred gesture) meaning "infinity" or perfection. It is associated with the female genitalia — thumb and forefinger pressed together at the tips with the other three fingers extended.

In the practice of tantric yoga (sex rituals), the OK sign is a token of ecstasy, spiritual and physical. In ancient Sumeria and Persia, charms and amulets have been discovered of fingers and hands in the modern OK position, joined along with horns implying fertility. The three fingers extended outward are symbolic of ecstatic union with the Goddess, the third member of the pagan trinity.

In Satanism, when making this sign the three fingers not used to make the circle are considered symbolic of the unholy trinity — horned god, goddess, and offspring (antichrist). Some go so far as to adopt the view that the bent three fingers are shaped as three number six's, or 666. Thus, we have 666, the sun deity (Lucifer), the goddess
(Mystery, Babylon the Great, Mother of Harlots), and the beast (antichrist, 666), all in one unitary hand sign. Oh what a web of evil wicked men can weave around something seemingly so ordinary and mundane.

In the Illuminist philosophy, the OK sign becomes a sign indicating approval of the Divine King, their coming Lord of Light, whom we as Christians know as Antichrist. To them it means, "He approves our undertaking." This meaning is roughly equivalent to the words in Latin atop the all-seeing eye of Osiris on our U.S. one dollar bill—Annuit Coeptus.

A Gesture to Avoid?

As we’ve noted, the gesture made by touching the tips of the thumb and index finger to form a circle, with the remaining three fingers of the hand fanned out and pointing out may signify "A-Okay" in the U.S.A., but in other cultures the same gesture will certainly not meet with approval.

In Brazil, Germany, and Russia, the signal is a supreme insult and vulgar, indicating a very private body orifice.

In France, the sign portrays the person it is aimed at as being a flunky or a "zero"—basically a worthless person. When it’s placed over the nose it means he or she is drunk.

In Japan, the same sign is used in commercial transactions to indicate you want the cashier to give you your change in coins rather than in currency.

In Spain, in Eastern Europe, and in some parts of Latin America, the OK hand gesture is considered very rude. When then Vice President Nixon visited Brazil in the 50s, a crowd of onlookers became a rampaging mob after Nixon flashed them what he thought was the A-Okay sign. To them, Nixon was making an obscene gesture. Nixon's "goodwill" trip suddenly became a "badwill" trip.

And there's more confusion abroad: In Arab countries, making this sign while shaking the hand symbolizes the giving of the "evil eye," perceived by Arabs as an event of great dread. It may be interpreted that you are putting a curse on the individual. Could it be that the Arab interpretation of this sign is exactly what the Illuminati intend in their performing it?

Beautiful actress Brittany Murphy gives the enigmatic “OK” sign. In the article accompanying the Brittany Murphy photo, People magazine quotes Murphy as saying she sneaks off in the middle of the night to write poetry. The magazine thus calls her the “Midnight Rambler.”

This drawing by an anonymous artist is very revealing in its carefully crafted symbology. We see at top and bottom the Illuminati's "OK" sign. Then, mere's the oval-shaped "egg," the "El Diablo" devil's horns, the two dialectic birds.

President George Herbert Walker Bush, has often been seen giving the Illuminati’s mudra, known by masses as the "OK."

Chernomyrdin, a crypto-Jew and Mason, oversaw the redistribution of assets of the old Communist Soviet State in the hands of Jewish oligarchs. This was a prime Illuminati project in the late 1980s and 1990s. Symbols expert Dr. Cathy Burns, in reviewing this photo, remarked: “Not only are hand signs important in the occult, but other features in a picture can also have a symbolic meaning. For instance, notice the book with an eagle on the cover. Could the United States be the Eagle? The caption just below mentions “getting Russia on board.” Notice too, the title of the book, *The Company We Keep*. Is this a reference to the United States keeping company with Russia ("getting Russia on board")? (Photo: *Newsweek*, May 17, 1999, p. 38)
